14.4 Matters to Report

The Clerk provided an update relating to actions undertaken since the last meeting that were not listed as agenda items:

- a) Trout Farm Signage - The Clerk contacted New Forest District Council (NFDC) on 10th April 2014 to enquire as to whether the sign at the crossroads was authorised, as villagers had complained about the position of the sign. NFDC responded quickly, advising that they did not believe that it was authorised and would contact Hampshire County Council (HCC) accordingly. The Clerk will provide a further update in due course.
- b) Parish Lengthsman - The Clerk confirmed that the worksheet detailing the tasks agreed at the meeting held on 20th March 2014 had been forwarded to Fordingbridge Town Council. As yet the Parish Lengthsman has not been in contact with Cllr Stockton and the Clerk will monitor the situation accordingly.
- c) Internal and External Audit Dates - The Clerk confirmed that the Internal Audit is to be on 30th April 2014 and the External Audit is to be on 14th July 2014. All dates are now recorded in 2014-2015 Sandleheath Parish Council Log which had previously been forwarded to all Parish Councillors.
- d) Reporting Potholes, Mobile Library Service and Community Grants - The Clerk advised that an email had been forwarded to County Cllr Heron requesting posters for pothole reporting and the Home Lending Library Service. This email also requested further information relating to Community Grants. County Cllr Heron acknowledged receipt of this email.
- e) Developers Contributions - Cllr Wright confirmed that he had attended a meeting on 21st March 2014 with the landowners of the footpath on the industrial estate and Nigel Best from HCC. He confirmed that progress was being made in respect of the proposed cycle path. The Clerk also advised that an incorrect article had appeared in the Salisbury Journal relating to the improvements to footpaths in the Sandleheath area but an amended article had then been placed in the following week's addition.
- f) Village Sign - Cllr Wright provided a short report. He advised that he had spoken to a local blacksmith and presented two possible designs for the Parish Council's

consideration. It was agreed that the sign which reflected Sandleheath at the top was the preferred design. The blacksmith was unable to provide a quote at the present time due to his existing work commitments but it was agreed that Cllr Wright should get a quote at the earliest opportunity. Cllr Wright had also approached Mr Gordon Read for a clearer image of the logo. Cllr Martin stressed the importance of having a galvanised sign so that it would be able to withstand all weather conditions. The Clerk also presented a draft request for sponsorship letter and it was agreed that this letter should be distributed to all local businesses.

- g) Change of Signatory Form - The Clerk advised that she required additional information from Cllrs Wright, Daykin, Fenn and Stockton to complete this form so that Cllr Wright could become an authorised signatory for the Parish Council's bank accounts. Cllrs Wright, Daykin and Fenn forwarded the information accordingly and the Clerk advised that she would contact Cllr Stockton in due course.

The Clerk advised that all matters of correspondence had been forwarded to parish councillors via email but drew the Council's attention to three recent emails that had been received:
