the Public Session

Also in attendance was District Councillor Ann Sevier. There were 7 village residents in attendance.

- 14.78 Apologies for absence
Received from Parish Cllr Robin Fenn, County Cllr Edward Heron,
District Cllr Roxanne Bellows and villager Keith Bennett
- 14.79 Any declarations of interest by any councillor on any agenda item
Cllr Andrews and Cllr Stockton declared an interest in the planning application 14/11302.
- 14.80 Minutes of Previous Parish Council meetings (11th September 2014 and 2nd October 2014)
The Parish Council **RESOLVED** to sign the minutes of the meetings dated
11th September 2014 and 2nd October 2014 as a true record. The Chairman signed all
pages of the loose leaf minutes and the Clerk would place these in the Minute Book.
- 14.81 Public Session
A couple of procedural matters were raised. The Clerk advised Any Other Business could
no longer be reflected on the agenda – this had been clarified at recent training that she
had undertaken. It was also clarified that, as all Parish Council meetings are public, visitors
as well as village residents may attend. The Clerk will provide further confirmation relating
to procedural matters at a future meeting.
The responsibility of the cutting of the hedge between the allotments and The Common was
discussed. At the present time, the hedge had not been trimmed on the outside – it was
believed that the NFDC were responsible for doing this task. The Chairman said that he
would look into the matter.
One resident also reported that a man in a high visibility jacket had been spotted on The
Common during the day but no-one was aware of who it was.
- 14.82 Unauthorised Encampment on The Common
The Chairman provided a report to the Council. The working group were progressing with
their documentation and would shortly be liaising with the Gypsy Liaison Officer at
Hampshire County Council (HCC) and New Forest District Council (NFDC) for confirmation
that procedures being put in place were correct. Cllr Stockton had also produced a draft
SOP which would be forwarded to all Councillors. The Chairman expressed his concern in
relation to the requirement that there should be three clear working days between a
meeting being called and then held, especially in emergency situations. The Clerk is to
seek guidance as to whether power to call meetings in emergency situations may be
delegated to a specific committee.
- 14.83 Matters to Report
a) Community Speedwatch
A short report was provided by Cllr Stockton. Fordingbridge Police Station was now closed
and he was liaising with Damerham Parish Council for a suitable place to store the
speedwatch equipment.

- b) Highways
Due to the absence of Cllr Fenn, there was no report although the Chairman reminded the Council of the road closures that were happening at the beginning of November.
- c) The Common
Cllr Stockton advised that the Council had received correspondence from one resident, Carol Butt, as to the future of The Common. The Parish Council **RESOLVED** the following:
- The brambles surrounding The Common are to remain in place to act as a deterrent to travellers entering the area and to enable children to play safely on the top common.
 - The island in the middle of The Common is to remain in place
 - The ongoing Bonfire Night event is to continue
- The Bonfire Night event was then further discussed. Sandleheath Community Association (SCA) confirmed that correct insurance was in place, a risk assessment had been undertaken and that they were happy to accept traveller waste on the bonfire. It was also confirmed that The Common gate was not to be left open and that Keith Bennett of the SCA should be contacted if access was needed.
- Cllr Stockton then advised the Council of new dog fouling signs that had been displayed around the village. More signs were available if needed.
- The Clerk asked if there were any suitable tasks for the Parish Lengthsman to undertake and she was asked to find out if he could pick up items to burn on the bonfire from residents. It was also felt that residents could suggest ideas for the parish lengthsman at the start of each parish meeting. The Councillors agreed that the parish lengthsman should be met by a representative from the Council each time he was in the village so that clear instruction could be given in relation to the tasks to be undertaken.
- d) Village Design Statement (VDS)
The Chairman provided an update. Correspondence had been received from A Hogarth, a landowner who owns 55 acres within the village but who is not a resident, which had queried the public consultation period prior to the adoption of the VDS. The Chairman confirmed that he had liaised with Andrew Herring at NFDC and felt that the Parish Council should withdraw, revisit and resubmit the document, hold a further consultation period ensuring that all relevant parties are consulted and then put forward the document for readoption. The matter was then discussed by the councillors. The following **MOTION** was then proposed by Cllr Daykin and seconded by Cllr Maynard:–
- No further action is to be taken in respect of the VDS until legal advice is obtained.**
- This motion was then put to the vote and **CARRIED** by four members to two members. It was agreed for the Clerk to contact Andrew Herring for further guidance.
- e) Future of St Aldhelm's
Cllr Daykin provided a short report. The steering group had had their offer accepted but the sale could no longer go through as anticipated as the Parish of Fordingbridge was expected to hold monies in trust for a new church to be built in the area. This meant that only a short term lease could be offered and SCA would be unable to get the funding for this. As a result of these new developments, a new Charitable Incorporated Organisation (CIO) called the Sandleheath Village Hall Association has now been set up with the aim of moving this matter onwards. The Council was advised that this new organisation would require funding and Cllr Daykin confirmed that he would write a detailed paper for a grant request which would be submitted to the Council at the next meeting – his interest in this matter clearly declared. The Clerk is to ensure that this item is added to the next agenda.
- f) Footpaths
The Chairman provided a short report. He had spoken to Nigel Best at HCC earlier in the day and had been advised that the project will shortly be put out for tender. It was hoped that work would soon be starting on the proposed cycleway.
- g) Clerk's Report
Further to the last meeting the Clerk confirmed that she had checked the Council's insurance documents and that the excess for Commercial Legal Protection was £200. She also advised that she had received a copy of the Emergency Plan from the previous clerk for the Council to consider updating. This item will be added to a later agenda.

14.84 Correspondence

The Clerk advised that all matters of correspondence had been circulated to the councillors via email but drew their attention to the following:

- i) Admissions to Schools correspondence re 2015-2016 was now available to see in the village post office.
