

- b) Update in relation to suitable action to protect Common area in front of Coronation Terrace. The Chairman advised that an update had been received from a resident, advising that it is hoped that the work will be undertaken prior to the end of autumn.
- c) Update in relation to any other concerns. The Clerk advised that the grass cutting team did not trim slope from Alderhot Road to Top Common on their most recent visit to the village on 22nd August 2016. It is hoped that a member will speak with the team during their next visit to the village w/c 26th September 2016. The Clerk was also asked to forward the grass cutting dates to the residents of Coronation Terrace so that cars can be moved in readiness for future visits.

It was also noted that the east side of the Common had sustained some vehicle damage and that this is to be monitored. The screws on the boards in the side of the bus shelter will also be looked at to ensure that they are not becoming too loose.

#### 6.134 Highways/Footpaths

- a) Cyclepath - Esther Smeardon had provided an update earlier in the meeting. The Chairman thanked her for all her efforts and for coming to the meeting.
- b) Update in relation to ongoing repairs to highways - Cllr Stockton provided an update. As yet, further work is still required to the entrance to Bishops Lane and the Clerk is to arrange a site visit with Bob Brown, Highways, to discuss all outstanding repairs in the village. It was noted that the car that was situated near the allotments has now been moved and scalplings have been installed accordingly. Drainage in this area will continue to be monitored.
- c) Update in relation to any issues with footpaths - Esther advised that she had made a site visit to see the trees that have not been trimmed in Bishops Lane. HCC will now trace the landowner so that action can be taken. It was also noted that vegetation alongside the footpath to Fordingbridge may require trimming.

16.135 Local Plan Review: Initial proposals for public consultation - Cllr Stockton advised that he had attended the Local Plan meeting in Fordingbridge on 24th August 2016 and had drafted comments on behalf of the Parish Council. These draft comments had been forwarded to all members for consideration prior to the meeting. The Chairman presented an overview of concerns raised by the proposed Local Plan and, after a short discussion, the members **RESOLVED** the following action:

**The Clerk is to forward comments prepared by the Chairman to NFDC prior to the deadline on 16th September 2016**

16.136 Future of St Aldhelm's - Cllr Daykin provided a short update. A trustees meeting had been held and an AGM will be arranged prior to the end of the year. Negotiations are still ongoing.

- trimming of ditch alongside Alderholt Road
- following previous authorisation of expenditure up to £100, more scalplings were installed at entrance to Top Common due to the encroachment of hedge
- trimming of overhanging brambles in Spring Lane

The Parish Lengthsman's next visit to the village will be on 14th November 2016 and it has been noted that the entrance to the Top Common may require more concrete at the bottom of the gateposts. The hinges and bolts on the gate may also need to be replaced.

It was noted that the Clerk's workload has been steadily increasing (particularly due to the increase in electronic communications) and, following a three month audit of hours worked, the current 4 hours per week were not sufficient to cover all tasks undertaken.
